

EXHIBIT B

PROMISSORY NOTE

Borrower: R.A.S.H., LLC
102 9th Street
San Antonio, TX 78215

Lender: PNC Equipment Finance, LLC
4355 Emerald St.
Suite 100
Boise, ID 83706

Principal Amount: \$3,340,000.00

Date of Note: August 30, 2017

PROMISE TO PAY. R.A.S.H., LLC ("Borrower") promises to pay to PNC Equipment Finance, LLC ("Lender"), or order, in lawful money of the United States of America, the principal amount of Three Million Three Hundred Forty Thousand & 00/100 Dollars (\$3,340,000.00), together with interest on the unpaid principal balance from the Funding Date until paid in full.

PAYMENT, AMORTIZATION, AND INTEREST. Borrower's first payment is due on the first business day of the second month following the month during which the loan is funded, and all subsequent payments are due on the first business day of each month after that. All outstanding principal and all accrued interest not yet paid shall be due on the final monthly payment. Unless otherwise agreed or required by applicable law, payments will be applied first to any unpaid collection costs and any late charges, then to any unpaid interest, and any remaining amount to principal. Borrower will pay Lender at such place as Lender may designate in writing.

Repayment. Principal and interest shall be due and payable in fifty nine (59) equal consecutive monthly installments, each in the amount specified on the written payment and rate confirmation to be provided by Lender to Borrower on or before the closing date (the "Payment Confirmation"). Any outstanding principal and accrued interest shall be due and payable in full in a final installment due on the final monthly payment date. The level payment amount is calculated on the assumption that each periodic payment will be made on the date when due, and if there is any variation in the actual payment dates, there may be an additional amount due upon maturity of this Note. Borrower's monthly payment will be calculated by amortizing the principal amount of the Note over 60 months. Any amortization schedule provided to Borrower is only an estimate, and is superseded by the terms of this Note regarding the accrual and payment of interest. All payment calculations will be determined by Lender in its sole discretion.

Fixed Interest Period. The interest rate will be determined by Lender prior to closing (the "Fixed Interest Rate"). Lender will provide Borrower a written confirmation of the Fixed Interest Rate in the Payment Confirmation, which is incorporated into this Note by reference. Interest on this Note during the Fixed Interest Period is computed on a 30/360 simple interest basis; that is, with the exception of odd days in the first payment period, monthly interest is calculated by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by a month of 30 days. Interest for the odd days is calculated on the basis of the actual days to the next full month and a 360-day year. Borrower understands that Lender may make loans based on other rates as well.

Interest After Default. Upon an Event of Default, including failure to pay upon final maturity, Lender, at its option, may, if permitted under applicable law, increase the Fixed Interest Rate by an additional 4.00%. The interest rate will not exceed the maximum rate permitted by applicable law.

TERM. The term of this loan is 60 months. At the end of the Term, all amounts owing under this Note and the Related Documents (collectively the "Loan Documents") will be due and payable.

RELATED DOCUMENTS. This Note is issued in connection with the Aircraft Security Agreement of even date herewith between Borrower and Lender (the "Aircraft Security Agreement"), one or more Guaranty agreements, and such other agreements and documents executed and/or delivered in connection herewith or therewith (as amended, modified or renewed from time to time, collectively the "Related Documents"), and is secured by the property described in the Related Documents and by such other collateral as previously may have been or may in the future be granted to Lender to secure this Note.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note: (i) the nonpayment of any principal, interest or other indebtedness under this Note when due; (ii) the occurrence of any event of default or any default and the lapse of any notice or cure period, or any Obligor's failure to observe or perform any covenant, representation, warranty or other agreement, under or contained in any Loan Document or any other document now or in the future evidencing or securing any debt, liability or obligation of any Obligor to Lender; (iii) the filing by or against any Obligor of any proceeding in bankruptcy, receivership, insolvency, reorganization, liquidation, conservatorship or similar proceeding (and, in the case of any such proceeding instituted against any Obligor, such proceeding is not dismissed or stayed within 30 days of the commencement thereof, provided that Lender shall not be obligated to advance additional funds hereunder during such period); (iv) any assignment by any Obligor for the benefit of creditors, or any levy, garnishment, attachment or similar proceeding is instituted

against any property of any Obligor held by or deposited with Lender; (v) a default with respect to any other indebtedness of any Obligor for borrowed money, if the effect of such default is to cause or permit the acceleration of such debt; (vi) the commencement of any foreclosure or forfeiture proceeding, execution or attachment against any collateral securing the obligations of any Obligor to Lender; (vii) the entry of a final judgment against any Obligor and the failure of such Obligor to discharge the judgment within ten (10) days of the entry thereof; (viii) any change in any Obligor's business, assets, operations, financial condition or results of operations that has or could reasonably be expected to have any material adverse effect on any Obligor; (ix) any Obligor ceases doing business as a going concern; (x) any representation or warranty made by any Obligor to Lender in any Loan Document or any other documents now or in the future evidencing or securing the obligations of any Obligor to Lender, is false, erroneous or misleading in any material respect; (xi) the revocation or attempted revocation, in whole or in part, of any guarantee by any Obligor; or (xii) the death, incarceration, indictment or legal incompetency of any individual Obligor or, if any Obligor is a partnership or limited liability company, the death, incarceration, indictment or legal incompetency of any individual general partner or member. As used herein, the term "Obligor" means any Borrower and any guarantor of, or any pledgor, mortgagor or other person or entity providing collateral support for, the Borrower's obligations to Lender existing on the date of this Note or arising in the future.

LENDER'S RIGHTS. Upon an Event of Default, Lender may (1) declare the entire unpaid principal balance on this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount, and/or (2) exercise any rights and remedies set forth in the Aircraft Security Agreement and the Related Documents.

ATTORNEYS' FEES; EXPENSES. Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and legal expenses, incurred in connection with the enforcement of this Note, the Aircraft Security Agreement, or the Related Documents. Lender may hire or pay someone else to help enforce this Note, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

LOAN ASSUMPTION. This Note and Related Documents are fully assumable by a qualified buyer provided that the buyer is approved by Lender in its sole discretion. The Borrower or the buyer assuming this loan must pay an assumption fee equal to 0.75% of the unpaid principal balance plus any and all third-party expenses incurred in connection with the assumption.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GENERAL PROVISIONS. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may, in its sole discretion, renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several. Capitalized terms not defined in this Note shall have the same definition given such terms in the Aircraft Security Agreement, the Related Documents, or other loan documents executed by Borrower.

PREPAYMENT. The Borrower must give written notice at least forty-five (45) days prior to the day the loan is prepaid. Upon prepayment of this Note, Lender is entitled to interest on the outstanding loan balance through the date of early payment. Borrower may pay all but not less than all of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: PNC Equipment Finance, LLC; 4355 Emerald St.; Suite 100; Boise, ID 83706. Lender is entitled to the following refundable premium payable at the time of prepayment, which may be refunded as set forth below (the "Refundable Premium"): (a) if such early payment occurs during the first loan year, three percent of the unpaid principal balance; (b) if such early payment occurs during the second loan year, two percent of the unpaid principal balance. After the second loan year, no early payment premium shall apply. Lender will refund the Refundable Premium if Lender makes a new loan against Borrower's replacement aircraft within six months of the early payment date provided that the amount of the new loan is equal to or greater than the outstanding balance of the Note. Except as provided in the previous sentence, Lender shall be entitled to retain the Refundable Premium. Notwithstanding anything to the contrary

above, Lender will have no obligation to enter into a new loan or refund the Refundable Premium if the new loan is not approved by Lender in its sole discretion.

LOAN PARTICIPATION. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of the Note and Related Documents or of one or more participation interests in the Note and Related Documents to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Note and Related Documents, and Borrower hereby waives any rights to privacy that Borrower may have with respect to such matters.

LATE CHARGE. If a payment is one (1) day or more late, Borrower will be charged \$750. Provided, however, Borrower will not be charged a late fee if the payment is late due to an error on the part of Lender's or Borrower's financial institution. Borrower agrees that the amount of such late charge represents a reasonable estimate of the cost to Lender of processing a delinquent payment and that the acceptance of any late charge shall not constitute a waiver of default with respect to the overdue amount or prevent Lender from exercising any other available rights and remedies.

GOVERNING LAW AND JURISDICTION. This Note, the Aircraft Security Agreement, and the Related Documents have been delivered to Lender and accepted by Lender in the State of Idaho. This Note, the Aircraft Security Agreement, and the Related Documents will be governed by, construed and enforced in accordance with federal laws and the laws of the State of Idaho. If there is a lawsuit, Borrower consents to the jurisdiction of all state and federal courts located within Idaho, and Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of Ada County, State of Idaho.

SUCCESSOR INTERESTS. The terms of this Note, the Aircraft Security Agreement, and the Related Documents shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and Lender's successors and assigns.

IMPORTANT INFORMATION ABOUT PHONE CALLS. By providing telephone number(s) to Lender, now or at any later time, Borrower authorizes Lender and its affiliates and designees to contact Borrower regarding Borrower account(s) with Lender or its affiliates, whether such accounts are Borrower individual accounts or business accounts for which Borrower is a contact, at such numbers using any means, including but not limited to placing calls using an automated dialing system to cell, VoIP or other wireless phone number, or leaving prerecorded messages or sending text messages, even if charges may be incurred for the calls or text messages. Borrower consents that any phone call with Lender may be monitored or recorded by Lender.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE PAYMENT, AMORTIZATION, AND INTEREST PROVISIONS. BORROWER AGREES TO THE TERMS OF THE NOTE.

BORROWER ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THIS PROMISSORY NOTE.
